Ministry Request Form

(Evangelist Agnew would like to thank you for your request. It is her goal to prayerfully consider each ministry request. There is no set honorarium or requirements for ministry. If she is available to meet your request, you will receive a reply e-mail and phone call within 3-5 days of the request. Above all, it is her desire that you keep her and the ministry in your prayers. If you would like for her to bring copies of her books Daddy's Girl Uncovered, Holy Habits, or any other ministry products, please make that request within your description portion of this form.
